

# Voice for Refuge Scores & Ranks

*In August 2021, the United States began its initial withdrawal from Afghanistan. Before, during, and after, Congress had a duty to respond and protect the lives of SIVs, at-risk Afghans, and allies. By evaluating all Congressional actions between April 2021 through July 2022, Voice for Refuge Action Fund has scored and ranked every member of Congress based on their actions to uphold the promise to protect Afghan SIVs, allies, and at-risk populations.*
